

## Top Women in Finance 2025 honorees announced

*September 17, 2025*

Finance & Commerce is pleased to announce the 2025 honorees for Top Women in Finance.

Each year, Finance & Commerce recognizes women who are shaping the finance industry and making an impact within their own communities by breaking down barriers and paving the way for future generations of women. This year's class honors 37 remarkable women.

This year sees one new Hall of Fame honoree: Lynnette Slater Crandall of P3 Legal & Strategy Advisors LLC. She will join the 10 previous honorees who have received this high honor.

Additionally, four women are being recognized as a Top Women in Finance honoree for a second time and will be inducted into the Circle of Excellence.

An outside panel of experts reviewed the nominations and helped to select the honorees. The women will be profiled in the Top Women in Finance magazine and honored at a networking and awards event on Thursday, Nov. 13, at Quincy Hall, 1325 Quincy St. NE in Minneapolis.

Congratulations to the 2025 Top Women in Finance honorees!
